She Says So Much

I dash in to the shack.

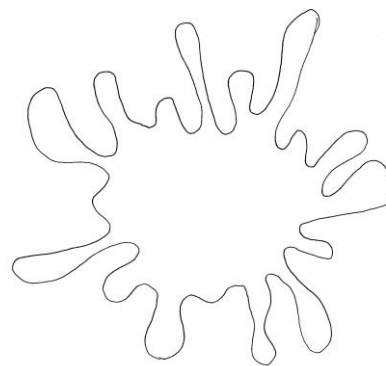

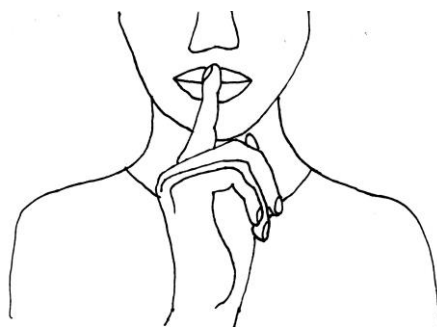

She says, "Do not bash it as you shut it!"

I yell at my sis.

She says, "Hush!"

I dig in the mud.

She says, "Do not get a rash."

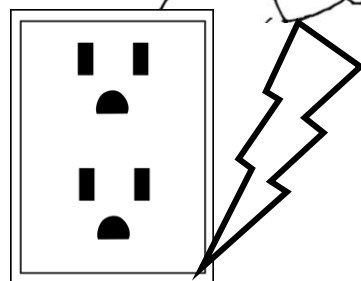

I kick a kid in the shin.

She says, "Do not wish bad on him."

I say, "I can fix it," and go tap, tap, tap.

She says, "Do not get a shock."

She says so much.

But she has me do well so I am not a bad kid..

The vet can fix a lot of pets.

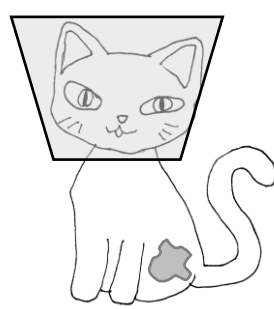

The dog can not bat his lashes.

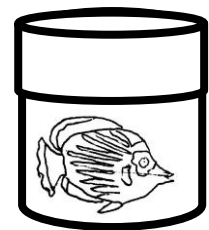

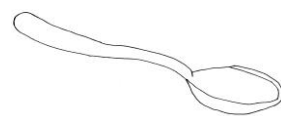

The vet said, "Have a pill."

The cat has a rash he will lick and lick.

The vet said, "This will not let him rub."

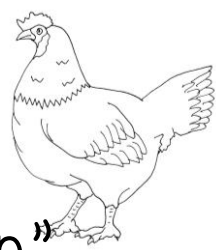

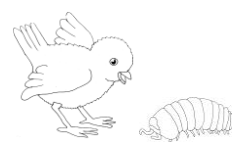

The fish will bob up.

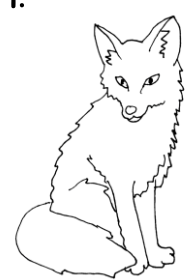

The vet said, "Do not toss so much in the tub."

The chick can not peck at bugs.

The vet said, "Have the chick go to the hen."

The fox can not dash.

The vet said, "Let it run a bit in the back."
