Color a star for each time the page is read.

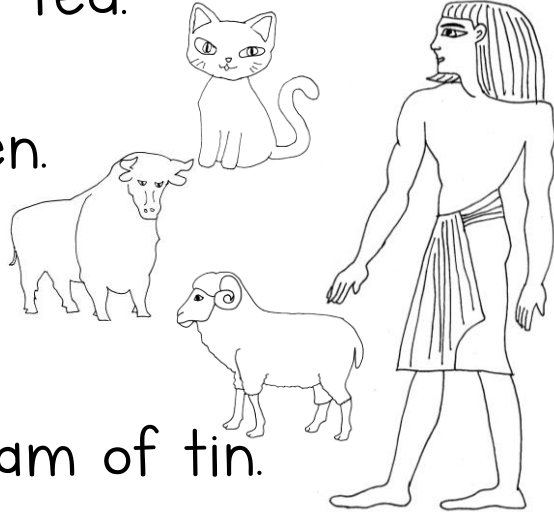

## Back Then

This man had to dig to get nuts.

He had to chop to get fed.

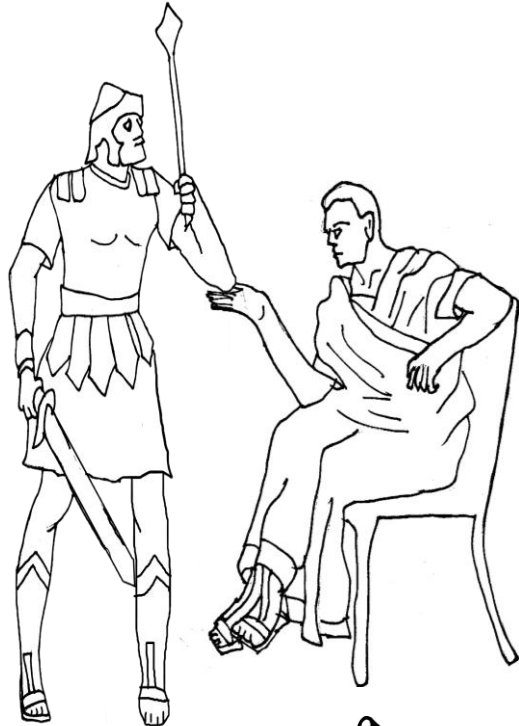

But that was back then.

This man had a mock  
cat and a bull and a ram of tin.

He had to nod to them.

This man had to pull a ship.

He had to dash in laps and run  
if a big man did wish it.

I will not wish to be back then!
