Why Such Big Bugs?

The mom of my mom did go to a hut

on the hill when it got hot. It was

fun, but why such big bugs? She did

whip at the bugs. Get off my bed!
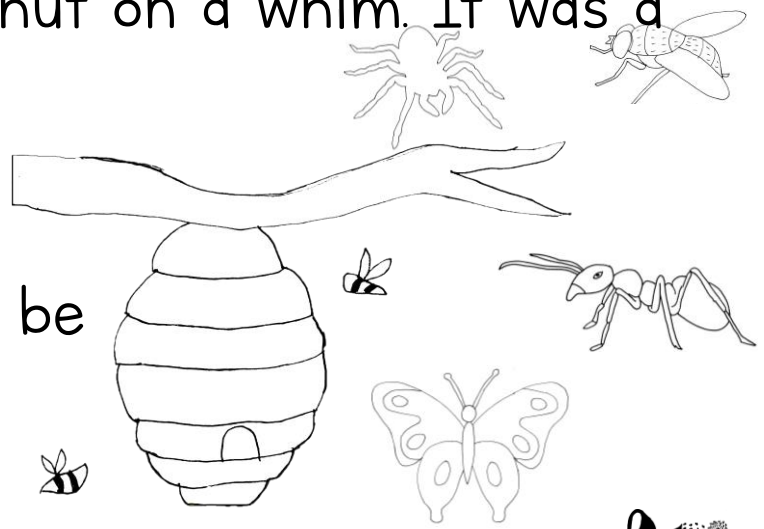

Get off my dog! Get off my lap!

Which bug will she whip next? She

said, "I did go to this hut on a whim. It was a

bad whim. I will go

back. I do not wish to be

with such big bugs!"
