# My Sis Will Have Such Bliss

My big sis will get wed. It is not on  
a whim. It will be in a chapel which  
is up the block from us. He is  
in black, but she is not. I have  
a blob of buds. I let them go on  
the red rug. When we get to the top,  
the man will bless  
them. My mom  
and dad said it  
is such bliss.
