My Doll Has a Drum

My sis did drag a doll. Its dress got
in the mud. She is mad. When the
sun hid, we had fog, then drip, drip,
drop.. What can we do? Let's

have fun with my doll. It does not have
a dress. It has a drum. Let's do a drill
and go clip-clop up the hill. My sis
says OK. She will let her doll go in the
tub. We will have fun with my doll and
drum, drum, drum!
