My Sis Has a Doll

My sis has a doll.

The doll's hat has a big brim.

She has a brush for the doll.

She says she has such bliss with the

doll. Ben is the big kid on the

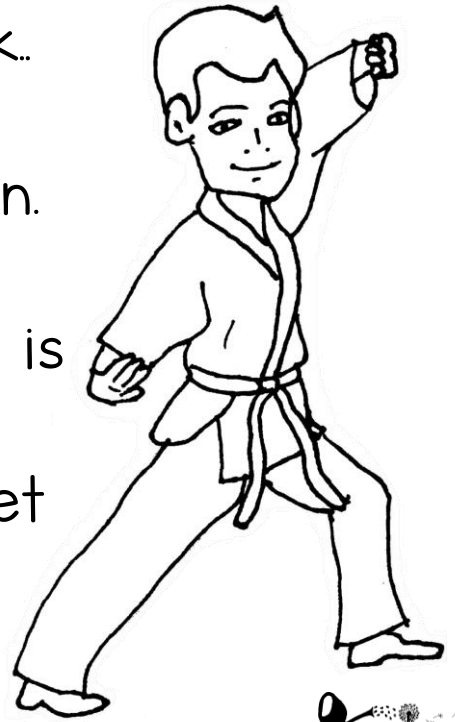

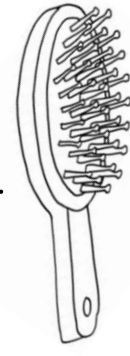

block. He says he can kick a brick..

He says he is big 'cuz he has bran.

Ben brags a lot. He says that doll is

no fun. I said, "Why be a brat? Let

my sis have fun with the doll."
