Glad for What I Have

I have on my tan dress with the frill. I have on my red lip gloss.

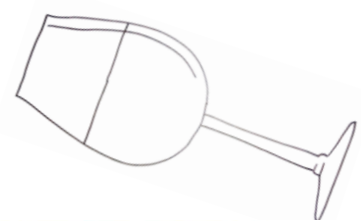

I have a big clip. I am so glad. But

then I drop a glass of black fizz. A

big glob gets on my dress. I am glum.

Why did I drop that glass?

But I still have my red gloss. I still

have my big clip. I will not be

glum. I will be glad

for what I have.
