Dear Parents,

Over Thanksgiving break, please share a special family recipe with your child and return it by the Monday before Christmas break. These will all be copied and put together in a special Christmas recipe book that each child will take home as a gift. I hope all the students enjoy reading and hopefully even making their classmates' recipes during their Christmas vacation.

Thank you!

Dear Parents,

Over Thanksgiving break, please share a special family recipe with your child and return it by the Monday before winter break.
