Color a star for each time the page is read.

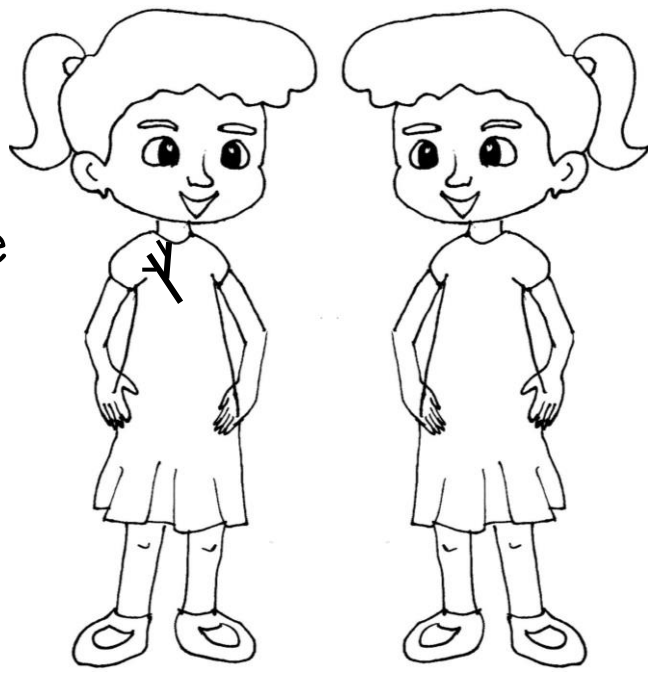

We Will Dress Up

My big sis did go to prom. She had a big, plush dress. He did press a bud onto the dress. She will have so much fun. My twin and I cannot go. But we can have

fun. We will dress up for mom and dad. We will have a prom on the grass. I do not have a bud to press onto my dress, but a twig can be a prop.
