# My Mask

I sit at my desk with my

pen till dusk. Then I can

do what I wish. I can get my

mask with the tusks and yell.

I can run and skip. I ask my mom, "Can I do a

big flip?"

"No," she says. "It is a risk.

You do not have that skill yet.

You can skid and cut a lot of skin."

Oh, well. When I am big, then I will

do a flip!
