It's a Scam!

I go to the shop with my mom..

She gets a rub for my scab. The shop sells disks. Can I get this disk?

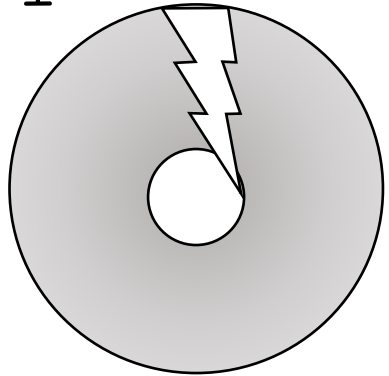

The tag says one bill. My mom says it is a scam. One bill is not

much. The disk will be bad. I scoff.

I have my cash. My mom says OK. I

get the disk with my cash. The man did scan it. But when I clip

the box, it has a chip. I am sad. It was a scam.
