Color a star for each time the page is read.

## When I Was Two

When I was two, I did not get to do that much. I did not get to brush

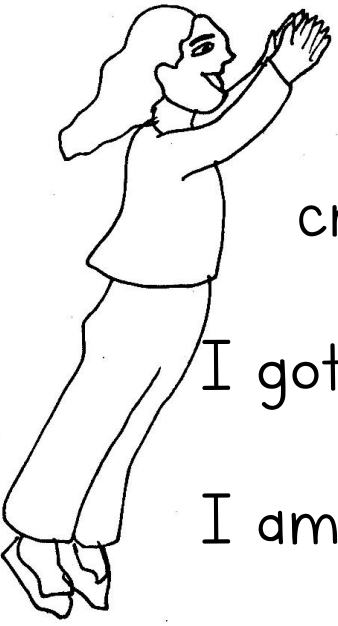

myself. I did not have a bath by myself. I

did not get to dress myself. I did not

snap. I did not skip. When I was two, I

did cry a lot. I did run, then I did trip. I did go

plop. Then I did cry and

cry. But that was not my limit.

I got up. Then I did get to run. I am glad

I am not two. I am so big!
