My Duck Can Quack

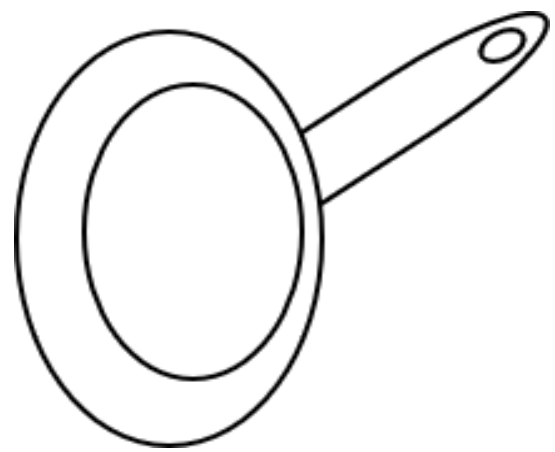

Mmmmm! Can you smell that? It is
crisp and fresh from the grill. I got up to get it,

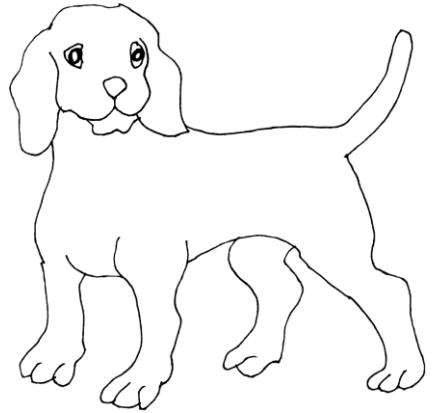

but then I did spin and slid. I did
clasp the dish and try to have a grasp

on it. But my grasp was bad
and I did drop it. Smash! Oh,
no! I have a big spill! My dog

will sniff it. He will get his spit on
it. It will not be crisp.
