Stuck in the Kelp

We had a trip to the Gulf of Mex.

We got on a ship that stops at the

dock. The ship did drift to a spot

with mist. I got in and got wet. I had kelp on my

legs. I had kelp on my scalp. Gulp! I did get the

pulp in me. Help! I try to spit it back. It is thick

as pulp. Yuck! I will not get a gulp from

this gulf unless I have a

mask and cap.
