The Man Did Rob the Shop

The man did rob the shop. He crept past the dog as he slept. The gal in the shop wept. She did cry, "Stop! Stop!" but the man still ran. The cop

did run and got the man. She had him go back to the shop. The gal did cry with much depth, "Why did you rob

me?" The man wept. "I was

bad. I did get a gem as a

gift for my mom."

"That is a bad gift,"

said the gal. "A hug is the

best gift." Blend PT, PTH
