Color a star for each time the page is read.

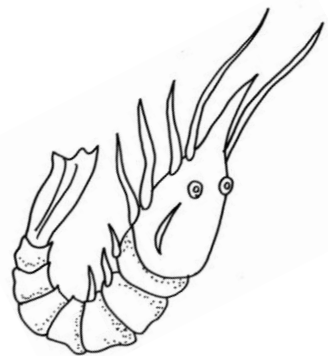

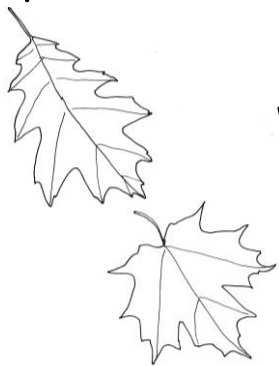

My Mess

My mom said I have to pick up my mess. I did a shrill cry. She said, "Let's go!" I did a shrug. I do not have that much filth! I have a rug that is in shreds. I have bits of the shrub from the back. Oh, no! My pet shrimp! Yuck! OK, I do have a lot of filth. I had best pick this up and toss it lest my sis tell mom

what a mess I have.
