## Why Did I Do That?

Bill is a big, big kid. Bill says stuff that is bad. He said I have a hunch on my back. He said he can smell a stench from my lunch bag. A bunch of kids did stop and gasp. I got so mad I did pinch

and punch Bill. But that was bad. I must

sit on the bench. I cannot hit

because I am mad. When a kid says

bad stuff, I must back off and let

him get the

bench.
