Color a star for each time the page is read.

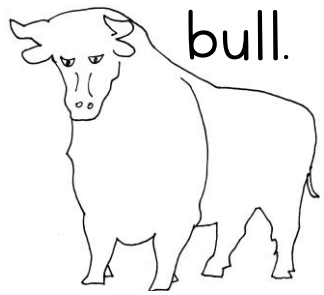

At the Ranch

I went on a

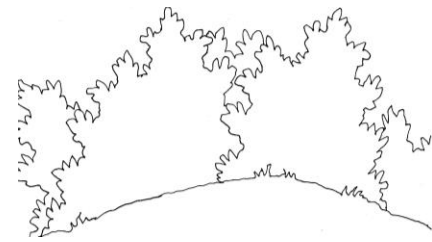

trip to a ranch where I got to pet a

bull.

One bull that is just a kid went into

a bush. He got stuck. The men did

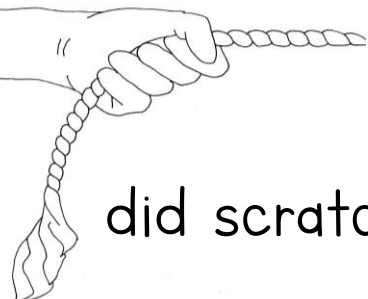

push and pull. The bush was full

of pricks. The men put a strap on the bull's neck,

so it did not buck them. The bull did cry and kick.

But then, he got onto the grass from the bush.

The bull was glad to be there. He

did scratch his neck on the soft grass.

The Other Short U
