

What to do in a museum with children:

I Spy

“I spy with my little eye,
something red... extinct...
uncomfortable to wear...
silly... weird... scary...
embarrassing... musical...
tall... microscopic, etc.”

Doppelgangers

Look to see which portraits
resemble people you know
or celebrities.

Would You Rather

“Would you have to wear
that corset, or that suit of
armor?”

“Would you rather be that
fox being hunted, or that
man running from a
sabretooth tiger?”

“Would you rather have
to chisel that marble
statue, or paint that
mural while lying on your
back?”

Other Tips

- ❖ Scope out the bathrooms and eating areas ahead of time.
- ❖ Let children hold the map and take turns choosing what to see next.
- ❖ Check if the museum has a printed or online scavenger hunt specific to their exhibits.
