Color a star for each time the page is read.

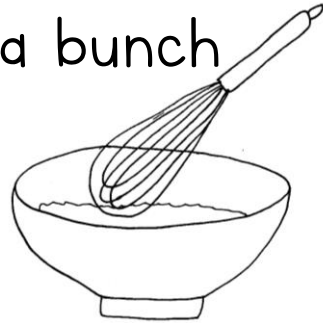

## We Will Have Guests

Guess who will be

with us for the big fest? We will have a bunch

of guests. The guests will bring things

to munch. We will have lots of yum! I will

help mix a batch of buns. Mom said, "Do

not grab the mix. I will be back in a jiff."

But I did grab the mix. It did spill on

the mat, and the rug, and the sink,

and the lamp. When mom got back, she

was a gha**st**. I felt so much guilt.
