# The Ghost Host

I went to my pal's for a fun fest. He was the best host. He

did dress as a ghost. His mom did dress as if she will molt. She did have fangs and wings and hang from her

legs. His dad did have bolts on his neck and a jolt on his cap. His lil' sis did dress as a colt. And me? I did dress as a post box.

I had a flag that can go up and a lid to get boxes. We had a contest to pick the best one. I got the medal for the best dress. What a fun fest we had!
