I Went to Dig for Gold

I was told there is an old land where the cliffs are big and bold. It is

a cold land with less sun than the rest. I went to

pan for gold. I did think, "I will be rich when I

dig gold from the folds of the cliffs." But

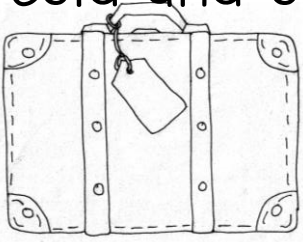

I did not get gold. I just got rocks that had mold.

I had a ticket back, but I sold it for a pick and

ax. I wish I had my ticket still. This land is so

cold and old. I will fold my hands and beg for a

ticket back.
