## Come Visit Us!

Come visit us! We can have a lot of fun. If you come in June, you can swim in the cove and

jump on the sand. We can go for a dive and find lots of kelp. We can golf. There is a shop that bakes the best cakes. At Big Mom's Grill they make the best shakes. In the eve a band will sing and you can stomp and spin. If you come in the spring, we can hike up the hill and pick fresh grapes and plums. If you come for a long trip,

you will be a glad guest.

## What Can We Do?

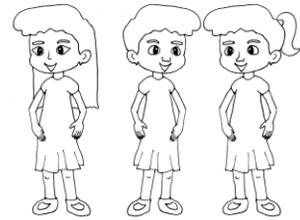

What can we do? If we have some cash, we can go for lunch. If we have some time, we can take a trip. If we have some pals, we

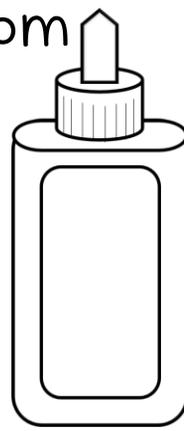

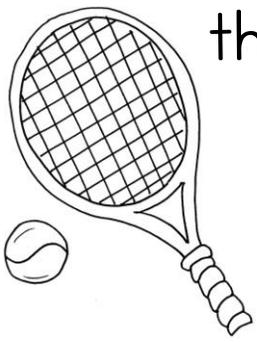

can make a club. If we have some notes we can get the best grades. If we have some bats, and rackets,

and nets, we can get in shape. If we have some brushes, and pom poms, and tape, and sticks, and string, and felt, we can make some crafts. But I tire from

this chat. What I must get is some rest.
