The Man in the Disguise

Have you met the man in

the disguise? He has a cape and a

mask. He does fly a black plane with white tires.

The jets puff fire and gas. He can drive his plane

to rise up like a kite and then dive back to land.

He is wise not to let us spot him with no mask.

Who can he be? Where does he

go in the eve? He has a hive where he

can hide for five times as long as

he can on land.
