## My Dog is the Best!

My dog Max is the best dog. When we go for hikes he thinks his role is to hunt moles and polecats. That skunk did stink! But he is still the best dog. When I toss a bone, he brings back a pinecone or a twig. But he is still the best dog. Last time I spoke to him and said, "Hush!" he did yelp and cry. But he is still the best dog. He broke a vase. But he is still the best dog. He digs holes in the grass like he thinks it is a joke. But he is still the best dog. Why? When he did smell smoke, he did poke me till I woke. He did save my life! That is why he is the best dog!
