My Trip to the Cove

We went on a trip to a cove with pink sand. We got on a plane, then were on a ship, then rode in a van from the dock to the inn. A man in a tan hat drove us. The inn felt just like home. It had a stove and a hot tub and snug, white robes. There was a code to get in. There were men who dove off a cliff. When the sun was up, it was so, so hot! But in the evening, we froze! Mom said, "Let's make a note not to visit here next time."

But I vote that we do.
