Spring Camp

At camp I got to do lots of things. I rode a colt to the top of the hill. It was a

big slope. I went on a raft on the lake. I

did fish with a rod and got a cod! I

fed slop to the pigs. We had a fire

and made a code from the

smoke. But there were

two bad things. I hit my leg

on a rock and had to hop back to the shed. I got

a bad rash on my neck. I hope it does not last

for long. If it does, my mom will make a note

that says I must have a smock to go on

my neck when we hike. I hope to come

to this camp next spring. It will be

so much fun!
