Color a star for each time the page is read.

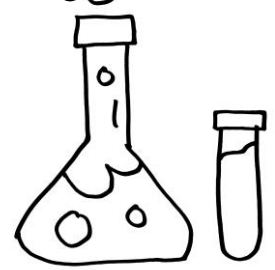

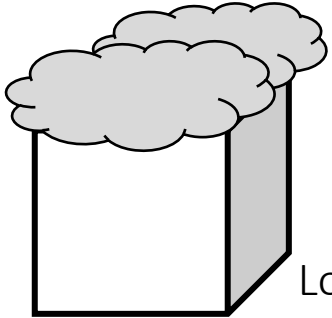

My Class Projects

We do lots of fun projects in class.

We cut up a pic of a mule and put it back. We did find lots of rocks and put them in bins of the same kind. We did explore the inside of a TV. We did find the mute on it. But the best was when we did fill the volume of a cube. We did use a mix of liquids. I did try it at home myself. It began to spill on the mat. When my mom did find the mess, she did fume. I gave an excuse that I am cute, but she did

refuse it.
