# At the Big Tent

We went to a tent with a big frame. There was a cat as big as a whale, but he was tame, not wild. The cat did scare me and make my mom quake when he came by us with a glare. There were men who did dress the same. There was one who ate a flame. In one spot, there were games for sale. One game was to push a ring to the end of a maze with a stick. One game was to hit a vase off a shelf. One man did guess my mass on the scale.
