My Sis Is Six

My grand-dad and grand-mom did

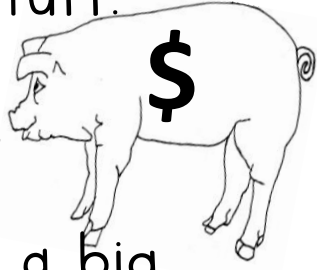

visit. It was for my big sis. She did just

get to be six! We had a big lunch with

a man that did tricks and lots of fun stuff.

I had chips and drank OJ. She got lots

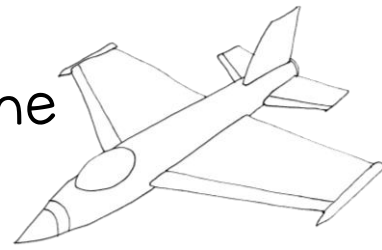

of gifts. What did she get? A pig bank, a big

tank, a ship and a jet. When she did press a tab

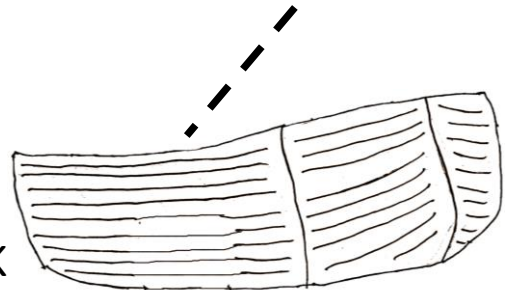

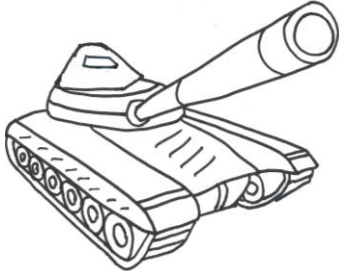

on the jet, a bell rang and the ship sank. What

fun! Will she let me have fun with the

gifts? Yes, she did. I said, "Thank

you, Sis!"
