Color a star for each time the page is read.

What Are We Doing?

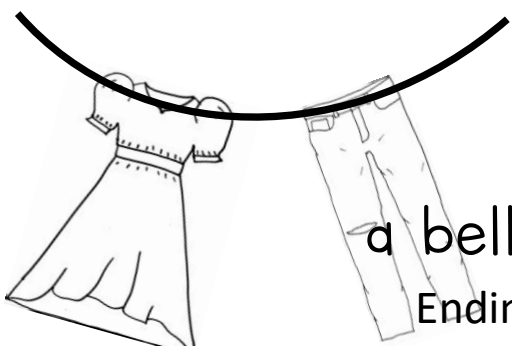

My dog is drinking from his dish. My sis is scratching my cat's neck. The cat is hunching his back.

The chick is singing on a branch. The kids next to us are catching and tossing.

My mom is hanging my pants and dress. My pants and dress are drying in the wind. My pink ship is sinking in the tub. I am bending to pick it

up. My grand-mom is ringing a bell to tell us we will have lunch.
