Color a star for each time the page is read.

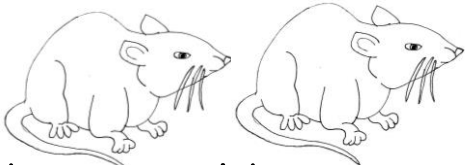

The Class Store

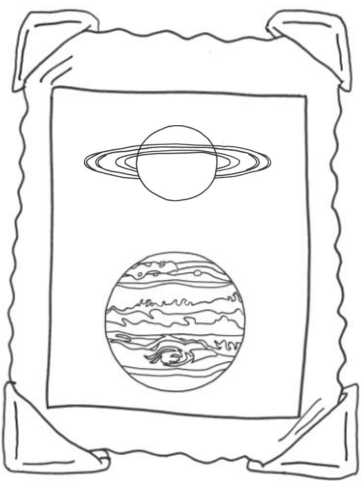

My class has a store. In this place you can get things for just one cent. It is the best price! I get one pencil. Mike gets a game that

has dice. You try to make two mice race. Jill gets a box that has a song

and a cute scene from a lake. Sam's face is sore because he just got braces. He gets an ice pack he can use a lot of

times. Nick gets a bag of rice with a nice scent. Ling gets a photo of space.
