Play Time

Let's play teach! I will teach you to read and write. Take a seat and please be neat. Can you reach for a pen or pencil?

Okay, let's play kitchen. Let's heat the meat, peas, beans, and tea. We can bake a pie. That was a yummy meal. It felt like a feast.

Let's play fairies. I am a sea fairy. I swim to the beach and am weak when I reach the shore. You

are a tree fairy. You steal leaves from a magic tree to make me strong. These games are fun. We make a nice team!
