The Great Lakes

I went on a trip to the great lakes. There are five of them. They are huge! I got to swim in the biggest one. We rode in a boat and fished. I got three fish, but I did not eat them because I do not like the taste of fish. I like to eat steak much more.

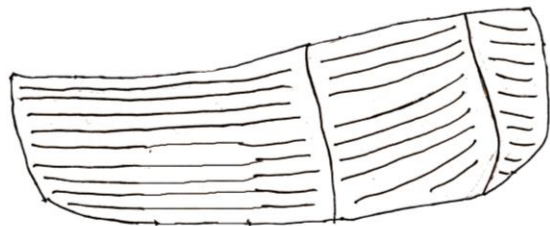

When we tried to get back to shore, the boat did not budge.

“Uh-Oh!” said Dad to me. “Did you break the boat?”

“It’s not me,” I said. “I think we have too many fish. Let’s toss some back into the lake.”

We did, and then the boat began to go.
