

In place of...say this

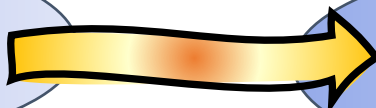

I'm not your friend!

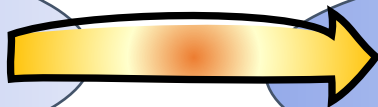

I'd like to spend some time playing with someone else right now.

I wasn't talking to you!

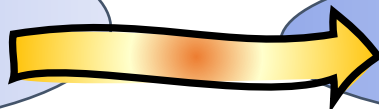

It's nothing. I was just telling ____ something.

Shut up!

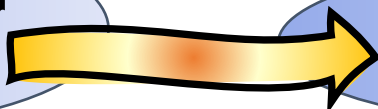

Please stop saying that./Please give me some space.

You're a liar!

I think you are mistaken.

None of your business!

It's private.

That's stupid!

I don't think that's a good idea.

Cut out these cards and have students match up the words to avoid with their replacements.
