Color a star for each time the page is read.

## The Big Game

We went to the big game at school. The mood was fun. We are the Moose team. We had food and got to choose a scoop of smooth ice cream or a cool glass of root beer.

When I bit my ice cream, the spoon made my tooth get loose. Mom says soon it will come out, but if it does not, the dentist will use a tool to help. I was not

sad for long. Our team did shoot a hoop. It sailed up to the roof. I would say it went up to the

moon, but it was just noon.

At the end of the game there was a great mess! We all did help to clean up with a broom.
