Color a star for each time the page is read.

## We Went to the Mall

We went to the mall to shop. There were stores on each side of a long hall. There was a stall that sold hot dogs. They had too much salt on them. I got a malt with whip cream. We shopped at a sports store for a ball for a tall net. We shopped at a phone store for a land-line to call all our pals. We shopped at a dress store. The wall said, "Shop now for the fall!"
