We Do Crafts

We do lots of crafts. This is what we

do: One: We draft it on a napkin or a

tablet or a pad. Two: We plan what stuff

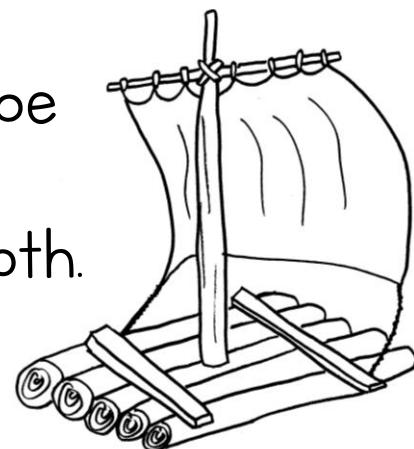

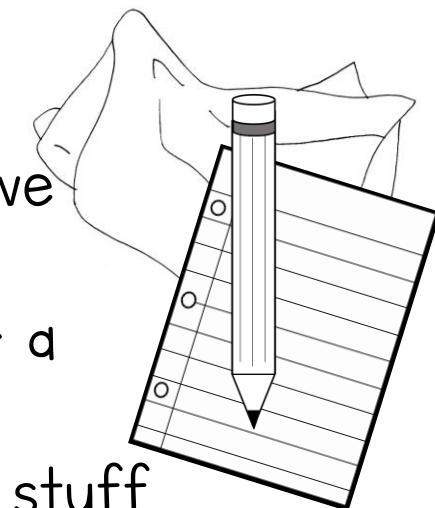

we will have to have. My craft will be

a raft. I will have to have a soft cloth.

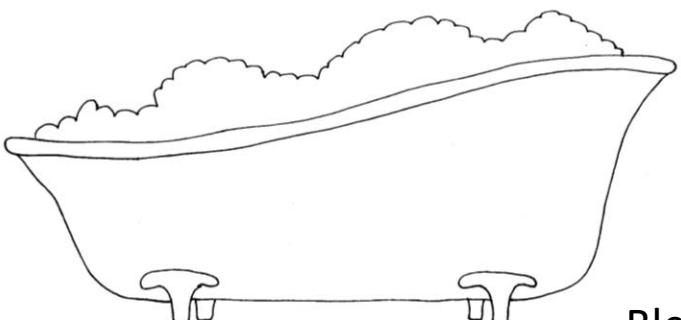

It will shift with the fog. My raft

will drift on the suds in my tub. But if my sis

says she has to have it, I will say, "OK, it is a gift

from me to you."
