My Dress Is a Mess

The sun is up. I have on my dress with
the red frill. We have fun until a
frog hops up on my dress. It is a
mess of mud. Then my dad says
he will fry a fresh fish. The pan spills
on my dress. Oh, no! I have got
a big mess. But I will not fret. I
will have fun. My mom says she
will get rid of the spots and my
dress will be fresh for the picnic.
