Color a star for each time the page is read.

Down on the Farm

All day long, we play on the farm. It is far from our town. Dad drives us in his car. A nice dog barks to greet us when he parks. We start our day by getting eggs from the hens. I reach my arm into the nest for a large egg. The hay is sharp like a dart, but it does not harm me. Then, we go to the part of the farm with the cows. I must lift a bar to close the gate or they will get out. When it gets dark, we lie on the grass and look at the stars.
