A Helper for the Game

It is the big game. Our team is fast, but they are fast/er. Our star kick/er is big. But their star kick/er is big/ger. The last game we played was on a hot day. But this day is hot/ter, so I un/zip my zip/per as I sit on the bench. Our best run/ner looks mad. But their best run/ner looks mad/der. Their coach looks sad. Our coach looks sad/der. But he is a good think/er. He yells for them to stop. He has a plan. I am not a good run/ner, but I am a good jump/er. He puts me in to be a help/er to the rest. We tie the game, and that is bet/ter than a loss.
