Suffix -ER can mean a person or thing that does something. It can also mean "more." If you do not see a word you know when you cover the -ER, cover the R only and see if you can read a word you know. Then, just add the -ER sound to the end.

Cover R with your finger and read the word.

See You Later

My dad is a baker. He is a top cake-maker. I help in

his shop at times. I think it must be nicer to make the cakes, but he says to mop and

dust is safer for me. For a kid

turning three, he makes a car racer cake. For a girl turning five, he makes a cake with a dancer

on top. For a boy turning ten, he makes a cake

with a biker. Later, when I turn nine, he

asks, what he can make for me. I am not a biker, or a dancer, or a car racer. I

am a hiker. So, he makes a longer, larger

cake shaped like hills. He puts paths and trails and trees and lakes. It is

just the cake for me!
