

Name: _____

Date: _____

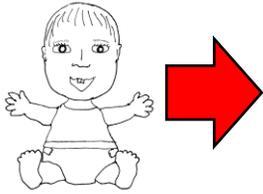

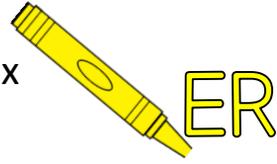

Suffix -ER can mean a person or thing that does something. It can also mean "more." If you see a double consonant in the middle of the word, the vowel is short. Cover the second consonant and -ER with your finger and read the short-vowel word. Then, just add the -ER sound to the end.

Cover the second consonant and -ER with your finger and read the syllable.

Surfing

We like to surf at the beach. To surf, you must be a good swimmer.

If you surf in the morn/ing, the waves are bigger. But if you surf later, the waves are hotter. A surf board is thinner than a boat, but thicker than card/board. But it is not all fun. I was sad when my zipper got stuck. But I was sadder when I got stuck in a rip tide. I was mad when I missed a big wave. But I was madder when a big wave crashed on me. I hope I can be a winner in a surfing con/test one day. I will show that I am the best wave runner and the best board hopper.
