Hank at the Bank

Hank is an of/fi/cer at a bank. He says it is a good job. He has the name of the bank on the col/lar of his shirt. He has a big wart on his nose. He sits by a heat/er that keeps him nice and warm. There are a lot of days off on the bank cal/en/dar. He is the most pop/u/lar man at the bank.

One day, a bur/klar stole a hun/dred dol/lars. Hank warned the bur/klar to stop. He got the cash back. Hank said it was the most dar/ing mo/ment since his time in the war. But Hank likes his bor/ing job bet/ter than ex/cite/ment. He is hap/py in his warm chair.
