A Raptor in Our Town

Our class will put on a play. I want to be an ac/tor, but I do not want a ma/jor part. I want a mi/nor part. Our teach/er is the author and the dir/ec/tor of the play. The play has a lot of hu/mor in it. In the play a rap/tor comes to a small town. The may/or tries to get the rap/tor to leave by ask/ing nice/ly as a fa/vor. A sailor tries to get the rap/tor to leave by put/ting him on a mo/tor boat. The doctor tries to get him to leave by start/ing a ru/mor that the town has a T-rex. In the end, a food ven/dor says we should let the rap/tor stay because he can help us with hard labor. I play the vendor.
