

Teach Grow Sow Mission Statement

Teach:

To help teachers:

- teach reading through a fun and logical process
- teach handwriting through a fun and kinesthetic process
- teach math through logical outlines that enable struggling students to grasp difficult concepts
- stay organized
- communicate well with parents
- prepare for the school year
- teach behavior expectations in a fun and interactive manner

Grow:

To help parents:

- find fun, screen-free activities for their children
- create plans for their family goals
- find websites and organizations to help them address common parenting issues
- help their children develop life skills
- help prepare their children for academic success

To help everyone:

- learn how to better care for the environment
- find fun, inexpensive, environmentally-friendly ways to celebrate holidays
- stay organized

Sow:

To help children's ministry leaders:

- share their faith in a loving, respectful, and gentle way
- teach children that God loves them, died for them, and wants the best for their lives
- teach children how the stories of the Bible connect to their own lives
- present an unwhitewashed depiction of ancient Middle Eastern bible figures
- help children become aware of the Bible's call to care for the land, poor, foreigners, and the marginal members of society
- help children, once they have decided what they believe, learn to one day share their own beliefs following the command of 1 Peter 3:15 "Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have. But do this with gentleness and respect." (NIV)
